Volume II 1981

" Is it at your command that the Eagle mounts up, and makes his nest on high? On the cliff he dwells and lodges, upon the rocky crag, an inaccessible place."

Job 39: 27 & 28

The life of an eagle centers around his nest. From his home on high he flies; he spreads his wings to seek out prey. All his activities center about his nest.

THE EAGLE

A Symbol Of Dignity, Power And Splendor

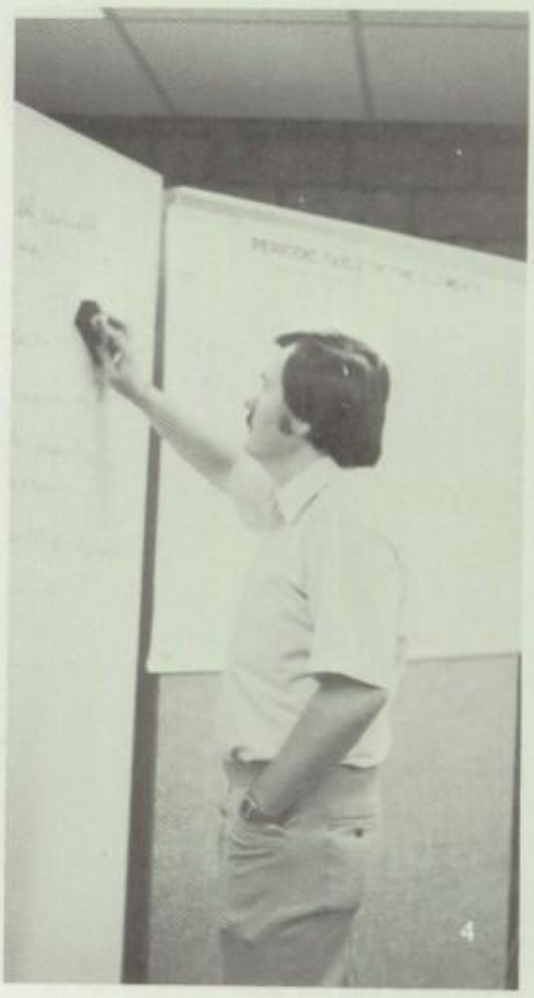
"Say to them, 'This is what the sovereign Lord says: A great eagle with powerful wings, long feathers, and full plumage of varied colors came to Lebanon. Taking hold of the top of a cedar.'" Ezekiel 27:3

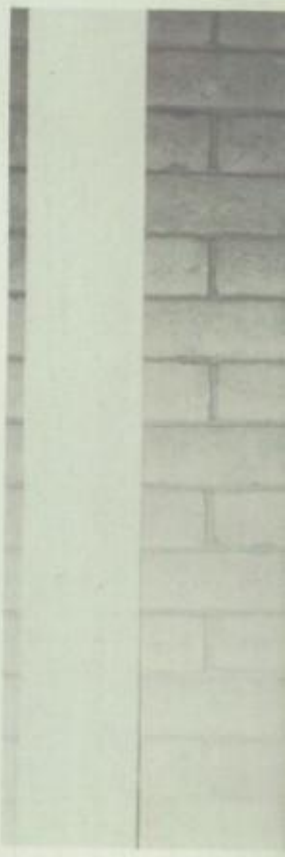
The eagle, mightiest and most majestic of all birds, is known as ruler of the sky. He is a symbol of dignity, power and splendor and our country's national symbol · a representative of freedom.

"But those who wait upon the Lord shall renew their strength. They shall mount up with wings like eagles; they shall run and not grow weary; they shall walk and not faint." Isaiah 40:31

This is the verse Omega's mascot was founded on. Our strength, like the eagle's, shall be drawn from God who is the giver of all power.

We, the Eagles, have a desire to be bonded in unity. It is our desire to build lasting friendships full of honesty and trust. In II Samuel 1:23 we read, "Saul and Jonathan, in life they were loved and gracious, and in death they were not parted. They were swifter than eagles, they were stronger than lions."





In sports we rely on God's strength and His direction. We have the will to win for Him. We read in Job 9:26b "They skim past like boats of papyrus, like eagles swooping down on their prey."

Our prayer at Omega is to be God's children, servants of Him, the King's kids. For, "He satisfies my desires with good things, so that my youth is renewed like the eagle's!" Psalm 103:5

STUDENTS

BCLS OFFERS SOMETHING FOR EVERYONE

Students, faculty and administration alike worked hard to insure that at BCLS there was something for everyone to enjoy, studies to be learned and activities to become involved.

BCLS offered a variety of academics, electives, and activities for everybody. These opportunities provided for mental, physical and spiritual growth for those who chose to be involved.

BCLS is rooted in teaching the fruit of the spirit which are: love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control as recorded in Galatians 5: 22 & 23.

Sophomores are halfway through, and soon they will be the first class to go through all fours years at Omega. The sophomore class was one of the largest classes at Omega. They proved to be full of spirit and enthusiasm and were always willing to help. The sophomores played an important roll in building Omega tradition, and we are proud of them. Sophomores accomplished many things in their class meetings with the help of advisors, Mrs. Barnard and Miss Horton. They even succeeded in concealing their secret sisters.

EIGHTH GRADE

Look Alive, Here Comes The Class Of '85!

The 8th grade had a good 1980-81 year. They enjoyed many activities which included instrumental ensemble, chorus, and sports. They also had lots of fun planning and attending class parties. Their advisors were Mrs. Todd and Miss Goh, who helped arrange any activities they had.

As the year came to an end, the students were preparing for their graduation. The students were excited about entering high school and a higher step of learning.

ADMINISTRATION

"Servants Of Christ, And Stewards Of The Mysteries Of God."

Mrs. Williams chose the following verse to be the motivating scripture for the administration and faculty this year: "Therefore since we have so great a cloud of witnesses surrounding us, let us also lay aside every encumbrance, and the sin which so easily entangles us, and let us run with endurance the race that is set before us, fixing our eyes on Jesus, the author and perfecter of faith, who for the joy set before Him endured the cross, despising the shame, and has sat down at the right hand of God." Hebrews 12:1 & 2.

Mr. Bill Taylor's title is Dean of School. He is responsible for being the school pastor and is in charge of fund raising and community and church relations. Mrs. Williams is the Superintendent of Schools. She handles the administration of all schools, Growing Tree through Omega.

BCLS PRINCIPALS PAT MAJOR AND DAVID DAY

Dear Class of '81.
It is my privilege to share a few thoughts as you graduate and leave Omega High. Thank you for your contribution to the first two years of our schools existence! I trust you have recognized that the entire educational process here at BCLS is to educate you as a total person: spiritually, mentally, and physically. You can not stop the learning process now, because we all have room for improvement as we grow and mature. As you graduate to more exciting yet responsible times in life, my hope and prayer as your principal and friend is that you will not be found lacking in the basic principles that God has equipped you with here at Omega High School. Remember Proverbs 3:5-6, "Trust in the Lord with all thine heart and lean not unto thine own understanding. In all thy ways acknowledge Him, and He shall direct thy paths." Come Back Often!

In Christ's Love

Alpha Verse

Psalm 1:1-3

How blessed is the man who does not walk
in the counsel of the wicked,
Nor stand in the path of sinners,
Nor sit in the seat of scoffers!

But his delight is in the law of the Lord,
And in His law he meditates day and night.

And he will be like a tree firmly planted
by streams of water,
Which yields its fruit in its season,
And its leaf does not wither;
And in whatever he does, he prospers.

FACULTY AND STAFF

In September BCLS opened its doors for the 1980-81 school year with a staff of both returning teachers and a few new additional faculty. The staff members were dedicated to academics and Christian living.

Learning proved to be both challenging and exciting through the curriculum and variety fo learning projects offered. Students were encouraged to excell in their studies and were rewarded for their efforts at the end of each semester by being placed on either the Dean's list for an "A" average or on the Principal's list for a "B" average. Most important was the emphasis on the students' spiritual development with preparation for both life in today's world and eternity.

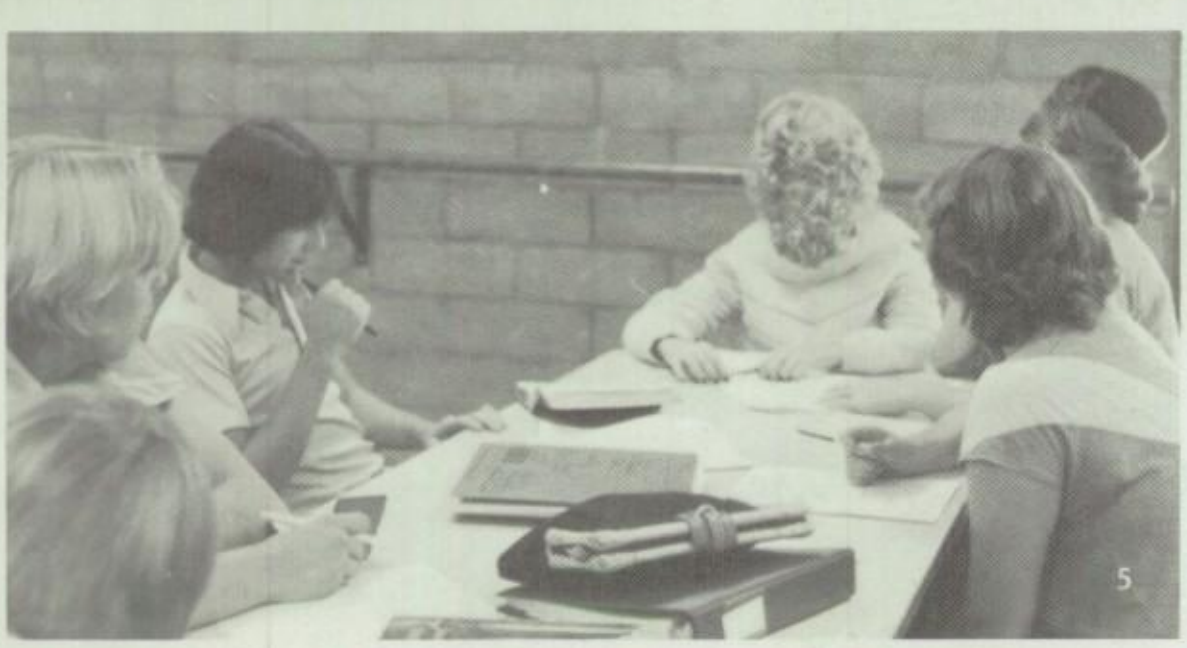
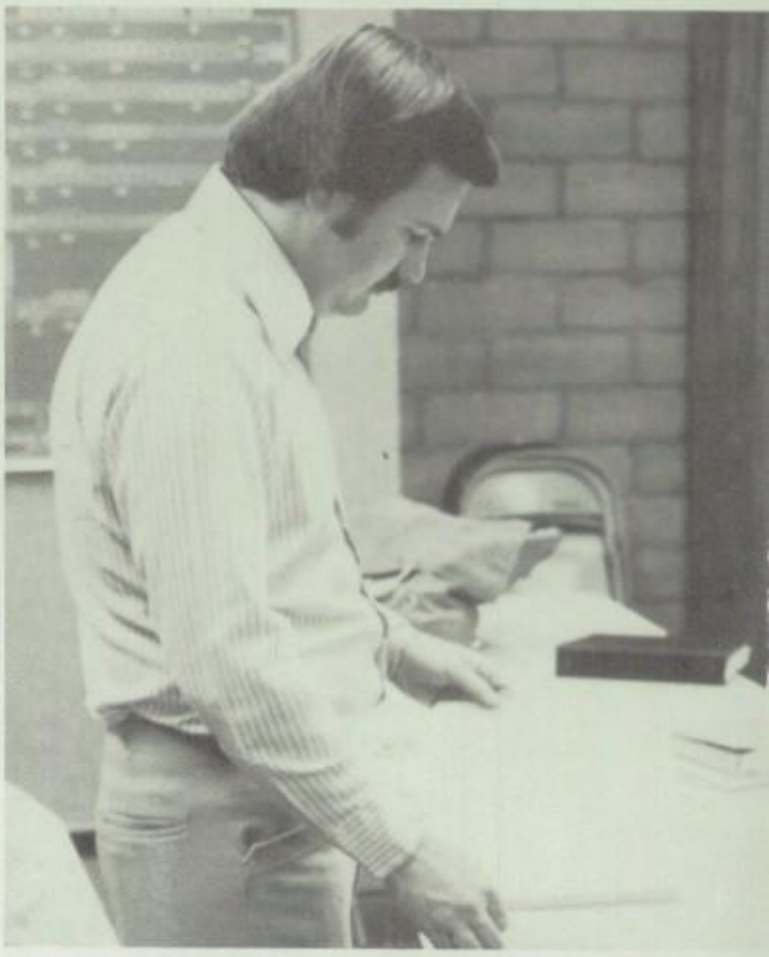
ACADEMICS

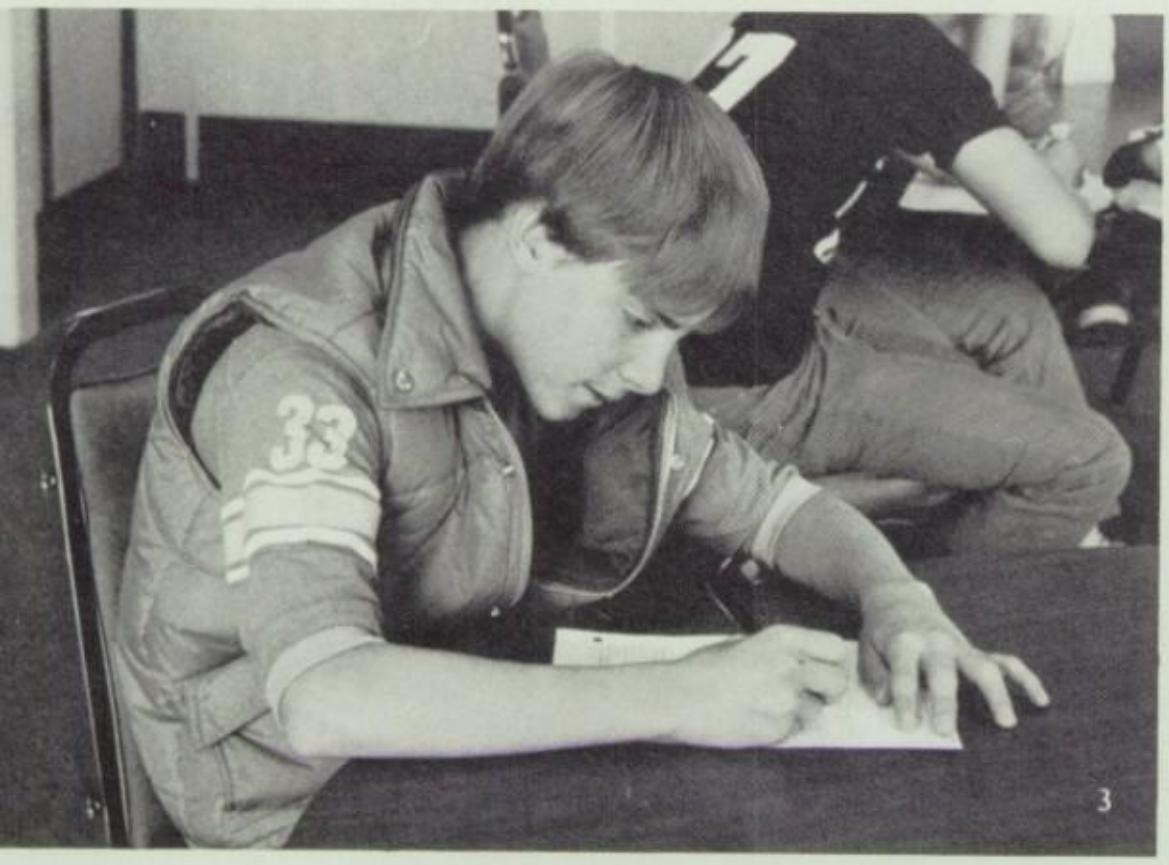
BIBLE

Students Learn Life Changing

Biblical Principles



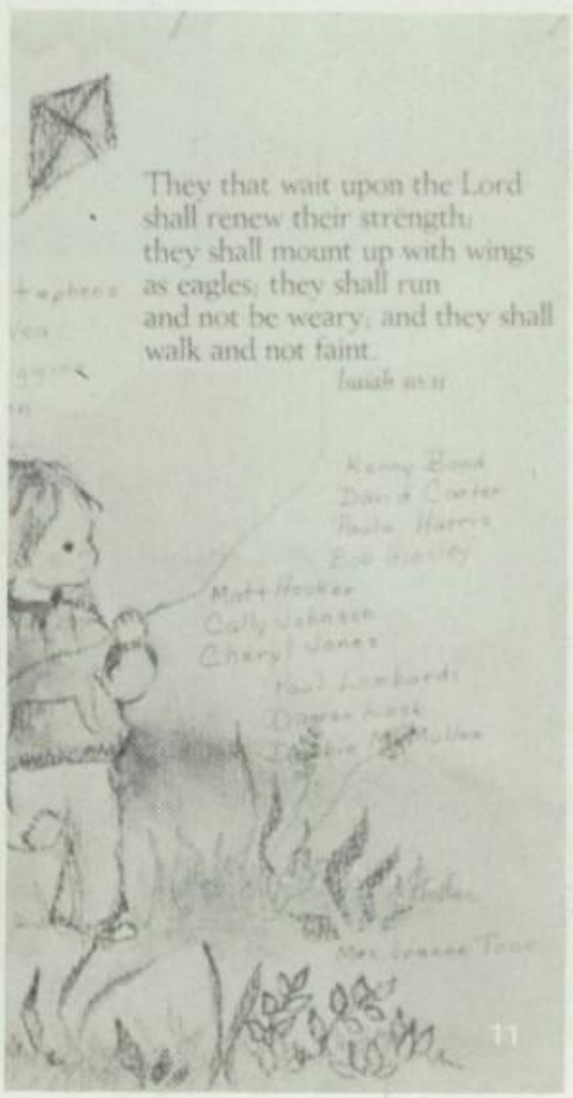




This year's Bible classes were rewarding for the students and the teachers. Biblical principles were learned and applied to everyday life.

Every teacher taught something different that dealt with the Bible. Discussion workbooks were used which helped to strengthen spiritual characteristics. These workbooks included topics such as: Christian Principles, Roots in Character, Old Testament survey, New Testament survey, Student Relationships, and Student Discipleship.

The Bible teachers had their classes involved in many types of projects, map drawings and oral and written reports. Everyone in the school participated in a verse memorization program which promises to be beneficial throughout each one's life.

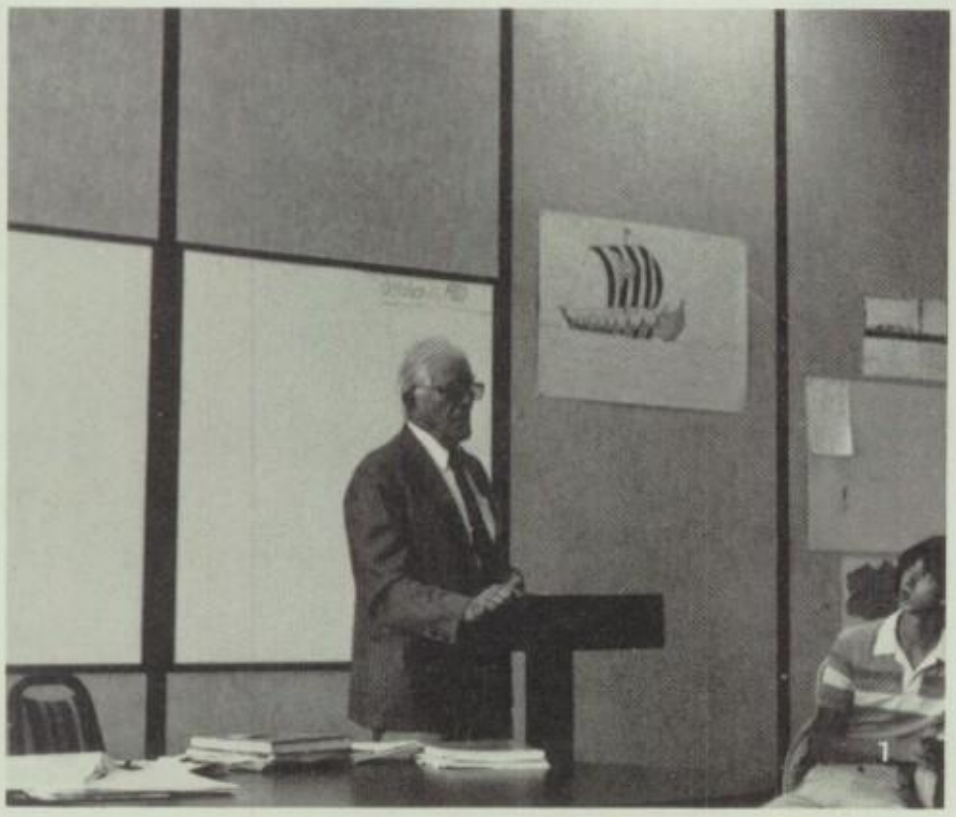


They that wait upon the Lord
shall renew their strength;
they shall mount up with wings
as eagles; they shall run
and not be weary; and they shall
walk and not faint.

1. As part of the senior Bible class, Cheryl Jones and Debbie McMullen lead singing in chapel. 2. The cross is the reason Omega teaches Bible classes. 3. Bobby Williams diligently completes his assignment. 4. Marty VeVea and Lisa Wilson look up verses to answer their lesson questions. 5. Even during "Backwards Day", Bible classes carry on. 6. Mr. Coulter prepares lecture notes for his class. 7. Suzanne Goubert learns new Biblical principles. 8. Mrs. Todd leads a Bible discussion. 9. Stacy Ray studies a meaningful Bible passage. 10. Student discipleship is Mike Blair's topic in class. 11. Mrs. Todd's poster illustrates Isaiah 40:31.

SOCIAL SCIENCE

Students Learn About History, Government And Social Studies



The social science department head was Mrs. Todd. The teachers in these subjects were Mrs. Wilcox and Mrs. Hill.

They taught Government, U.S. History and World History to the high schoolers and Social Science to the junior highers. Among the many areas studied in Mrs. Wilcox's U.S. History class were learning about organizing colonies, making models of documents and maps.

Mrs. Hill's World History class discussed the birth of Jesus and studied Ancient Greece, Italy and China.

Mrs. Wilcox's Government class worked during the 1980 election at a campaign headquarters. They also learned the voting process, the government process and politics.

1. Mayoral candidate Charles Dodge speaks to the government class. 2. Mrs. Hill lectures from her desk. 3. Susan Catlett studies in Mrs. Todd's room. 4. 7th graders enjoy their social studies class. 5. Melisa Loos finds social science humorous.

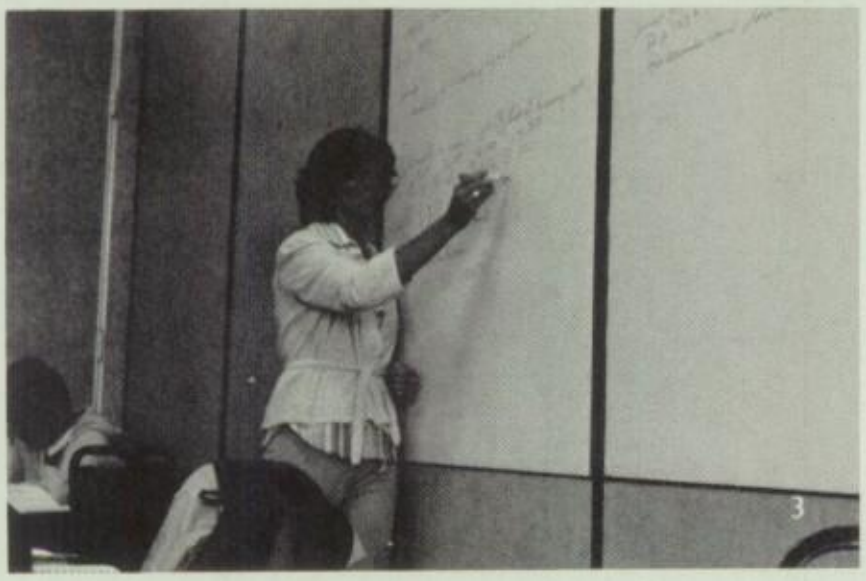
LANGUAGE ARTS

The English teachers at Omega and Logos taught the basic rules and other areas of content such as: grammar, vocabulary, literature, composition and poetry.

Miss Knight, Mrs. Todd, Mrs. Barnard and Mrs. Ericsson were among the Language Arts teaching staff. Literature units pertained to morals and values and were applied to students lives. Many Christian books were read and studied for book reports. God's order was exemplified in the grammatical aspect of English.

1. Mrs. Todd prepares her lesson. 2. Leanna Richmond holds up her "New Voices" book. 3. Mrs. Ericsson takes notes. 4. Melissa Mebane writes in her "Daybook". 5. Miss Knight explains her class during "Back to School Night".

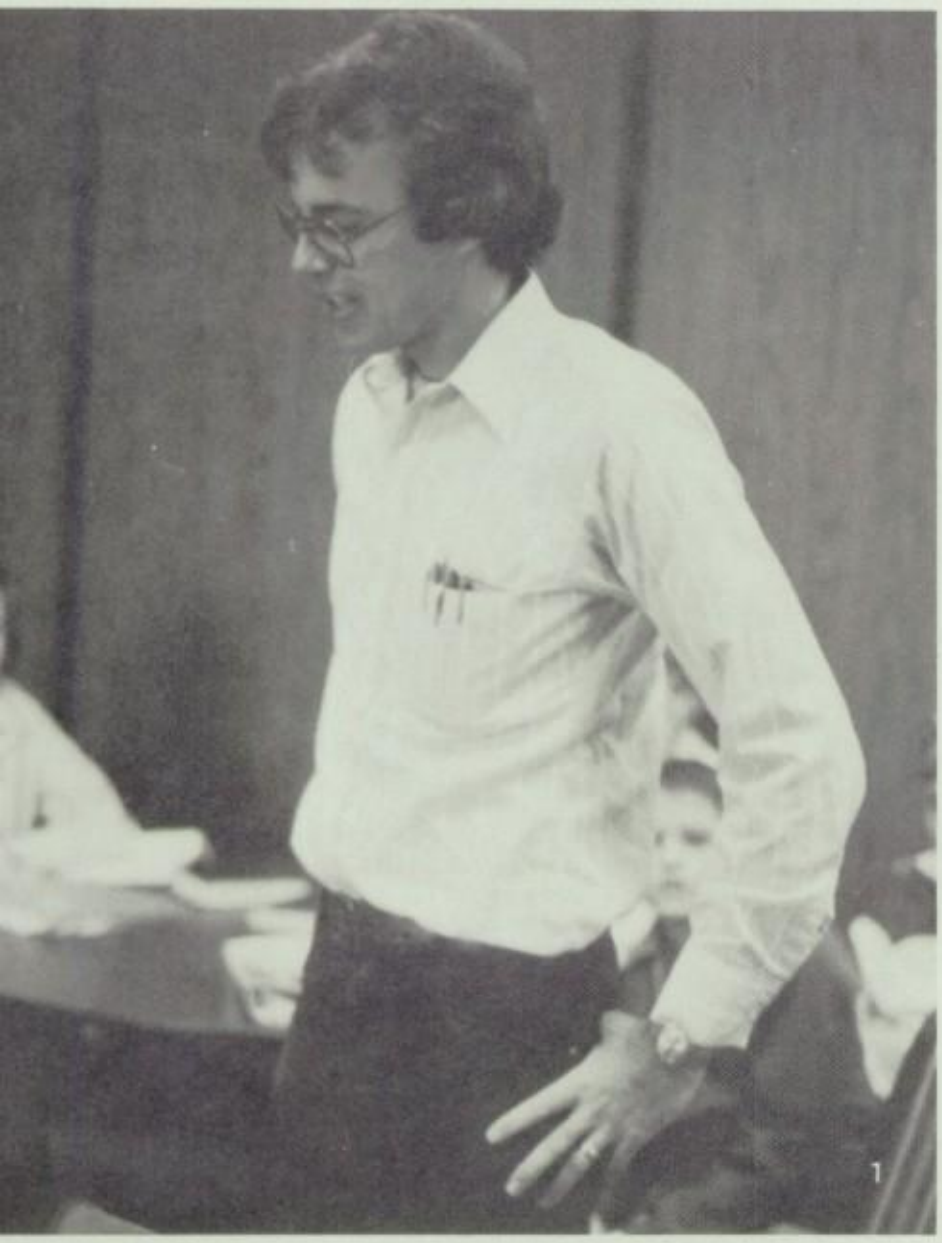
MATH SKILLS SOLVE PROBLEMS



The study of mathematics and spiritual truths are related and fit together into God's plan for our lives. Here we can see the order and structure of the universe and how God arranged the world. It is perfect and exact; everything works within the arrangements that God has established.

Among the math courses taught by Miss Turner, Mr. Clare and Mr. Swen were Math 7, Math 8, Basic Math, Advanced Math, Algebra 1, Algebra 2, Geometry, and Math Analysis.

1. The math students in Mr. Swen's class work diligently. 2. Mr. Swen waits for the correct answer. 3. Miss Turner demonstrates for her class. 4. Mr. Clare helps Pegeen Cusator and Anne Fisher.



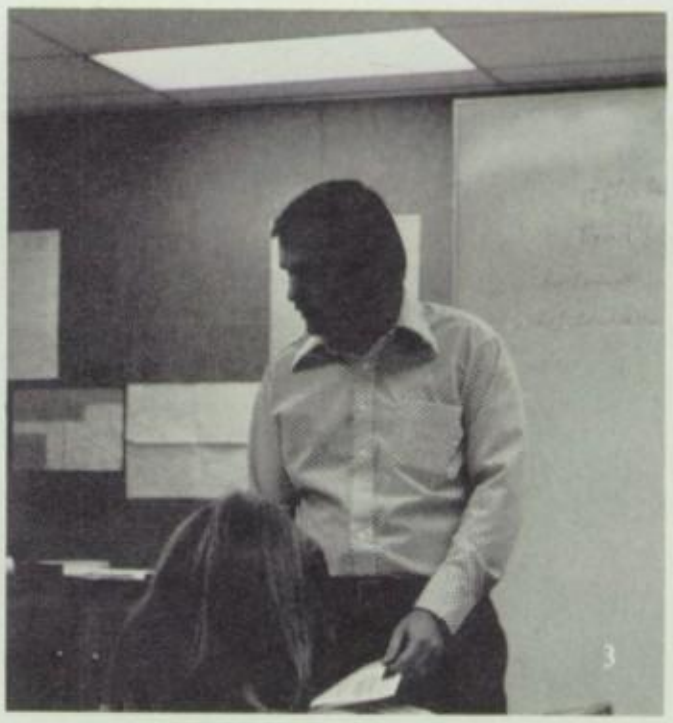
SCIENCE

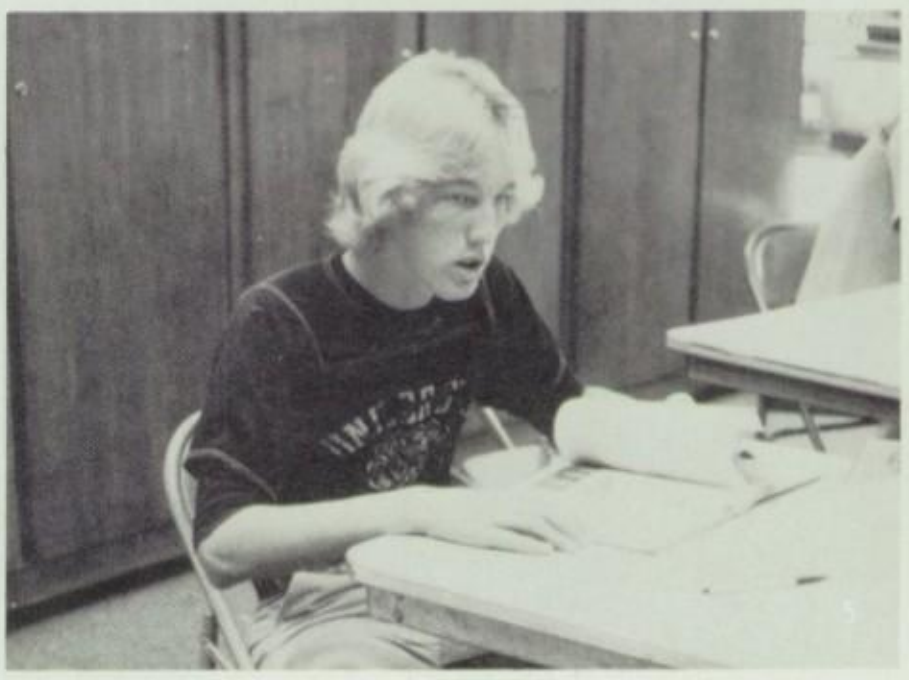
Investigating God's Creation

Science helps us to investigate many of God's creations from the microscopic atom to the study of how the human body functions.

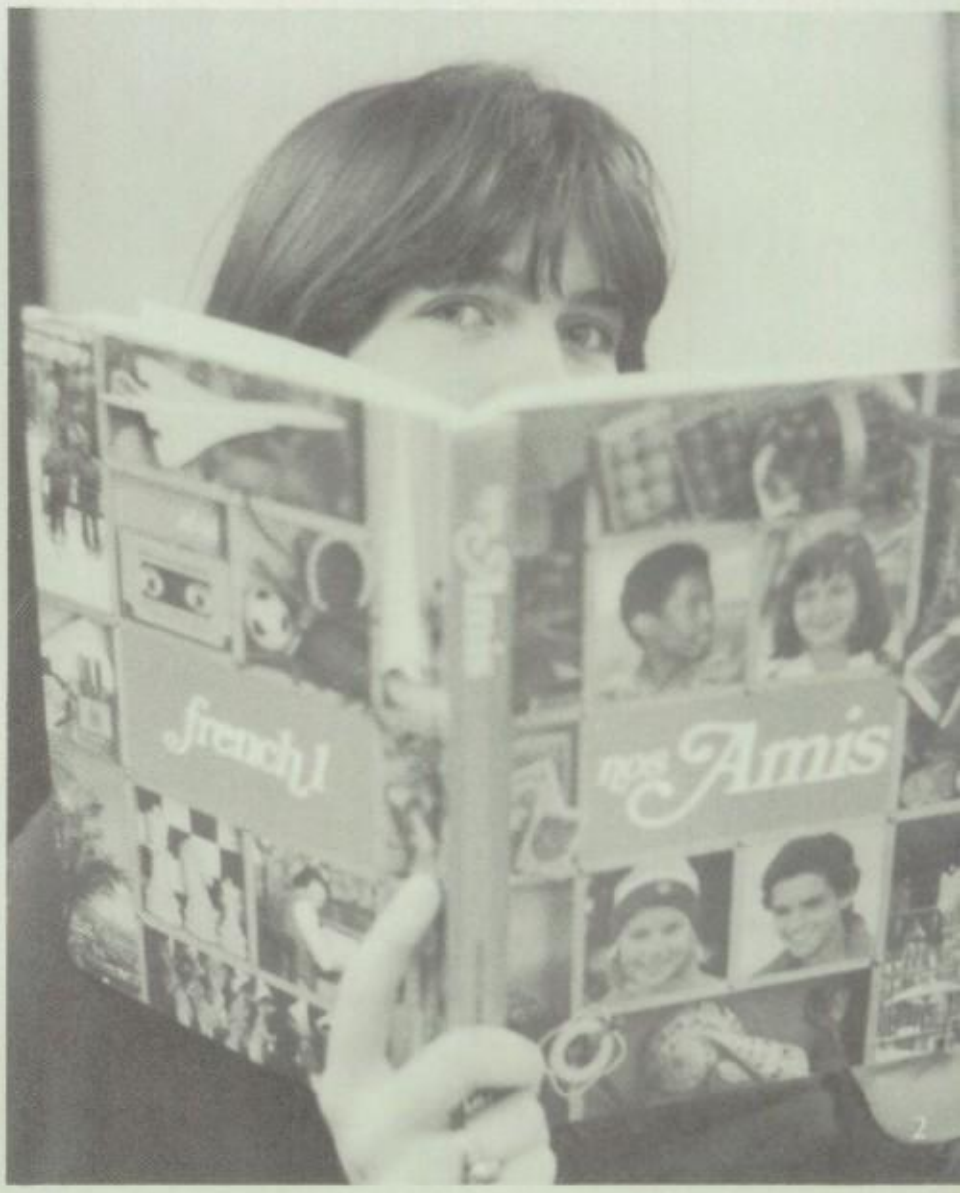
A variety of science courses are offered at both the high school and junior high levels. These classes are taught by Mr. Coulter and Mr. Carroll. Among the courses offered were Chemistry, Biology, Chemical Science and Earth Science.

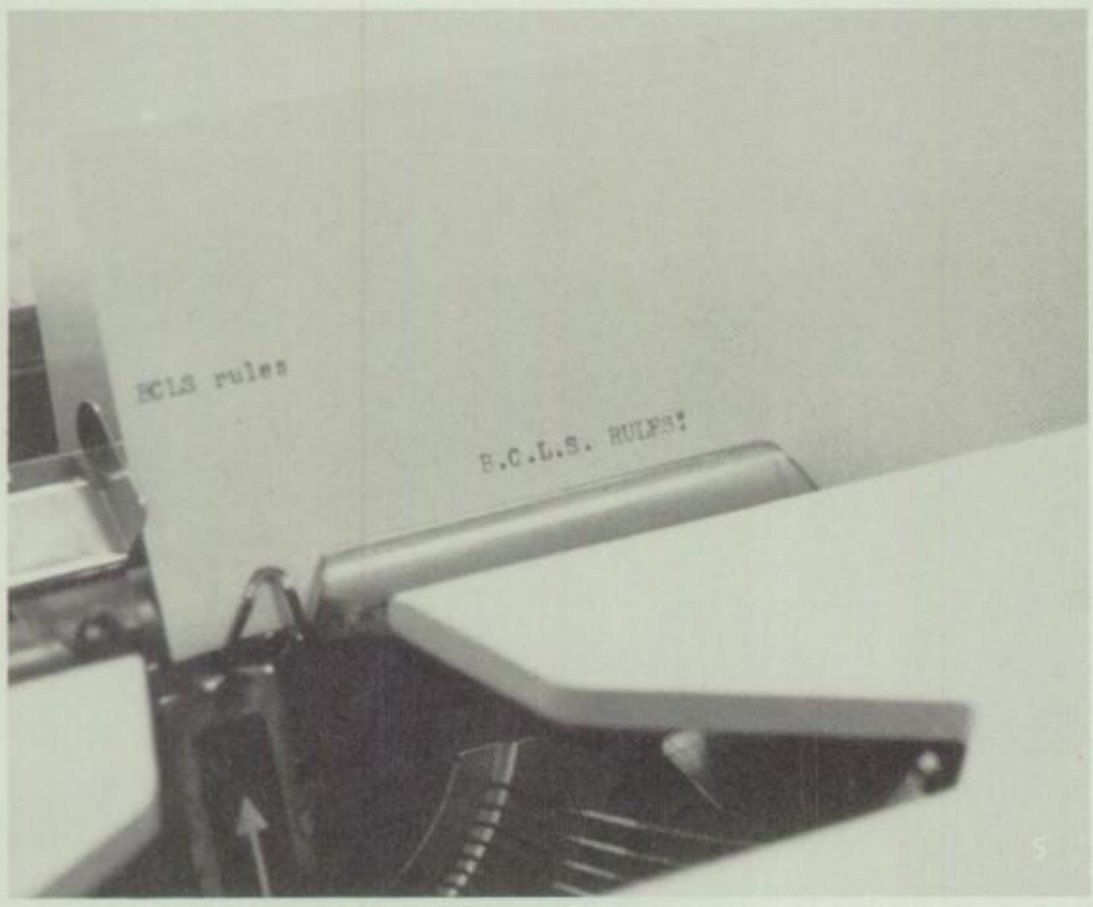
Mr. Carroll lectures to his class. 2. Bryan Pelz gets into his book. 3. Mr. Coulter explains the homework assignment. 4. Biology class friends pose for the camera. 5. Dairn Winders trys to grasp the assignment.

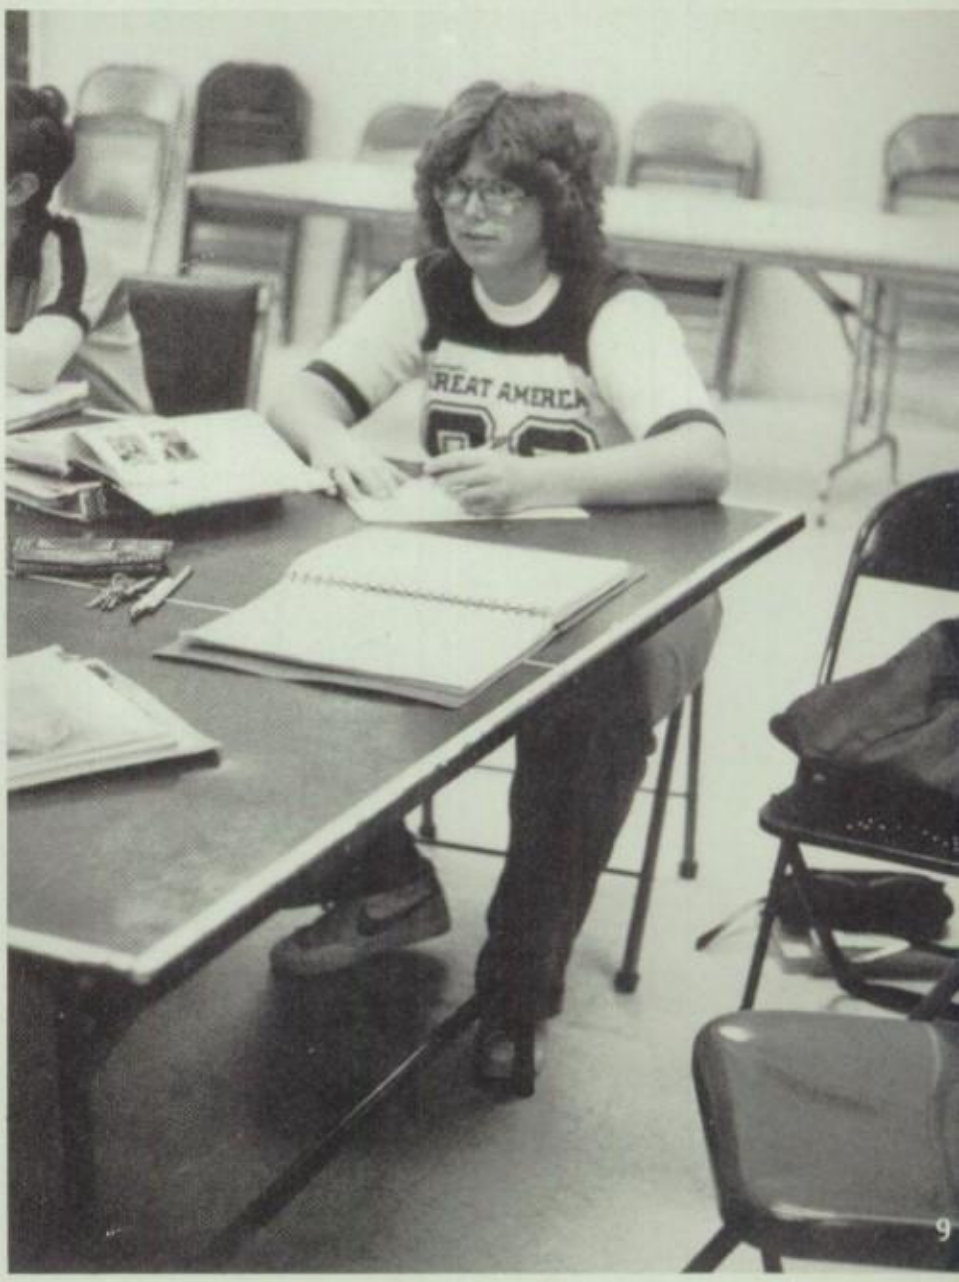




ELECTIVES ENRICH STUDENTS







Electives were courses selected by students to enrich their academic schedules. The electives chosen by Omega students provided skills while proving to be very enjoyable.

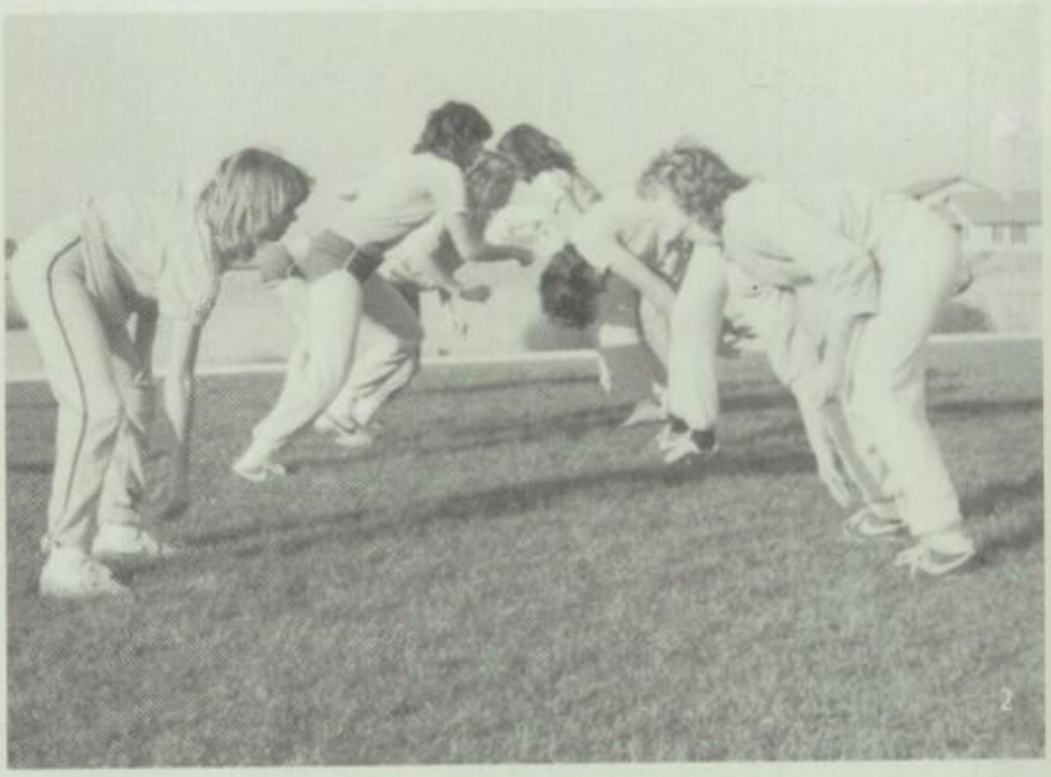
Among the electives offered were foreign languages, including French and Spanish. Miss Horton and Mrs. Chenot, the teachers, attest to the fact that learning a different language isn't easy, but will be beneficial later on.

Other electives were journalism and art taught by Mrs. Barnard which explored their use in the communications field. Drama, taught by Miss Knight, gave students a chance to "act up." Computer, taught by Mr. Carroll, gave students an advantage in a rapidly growing computer age. Speech taught by Mrs. Ericsson prepared students for public speaking, and typing, taught by Mrs. Chenot, will be helpful in both the college and business worlds.

1. Mary Lynch and Tim Hubble study diligently for the upcoming Spanish test. 2. Suzanne Flom learns about French friends. 3. Mrs. Barnard directs the placement of a work of art. 4. Students in drama need no help in learning to goof off. 5. Omega typing students know B.C.L.S. rules. 6. Gene Atkins, Bryan Pelz and Lisa Wilson receive instructions in computer from Mr. Carroll. 7. Bryan Pelz has a chance to practice his speaking skills. 8. A French student dreams of using her French in Paris. 9. Melanie Noxon pauses to remember the proper Spanish tense. 10. Journalism students find another interesting subject to write about.

PHYSICAL EDUCATION

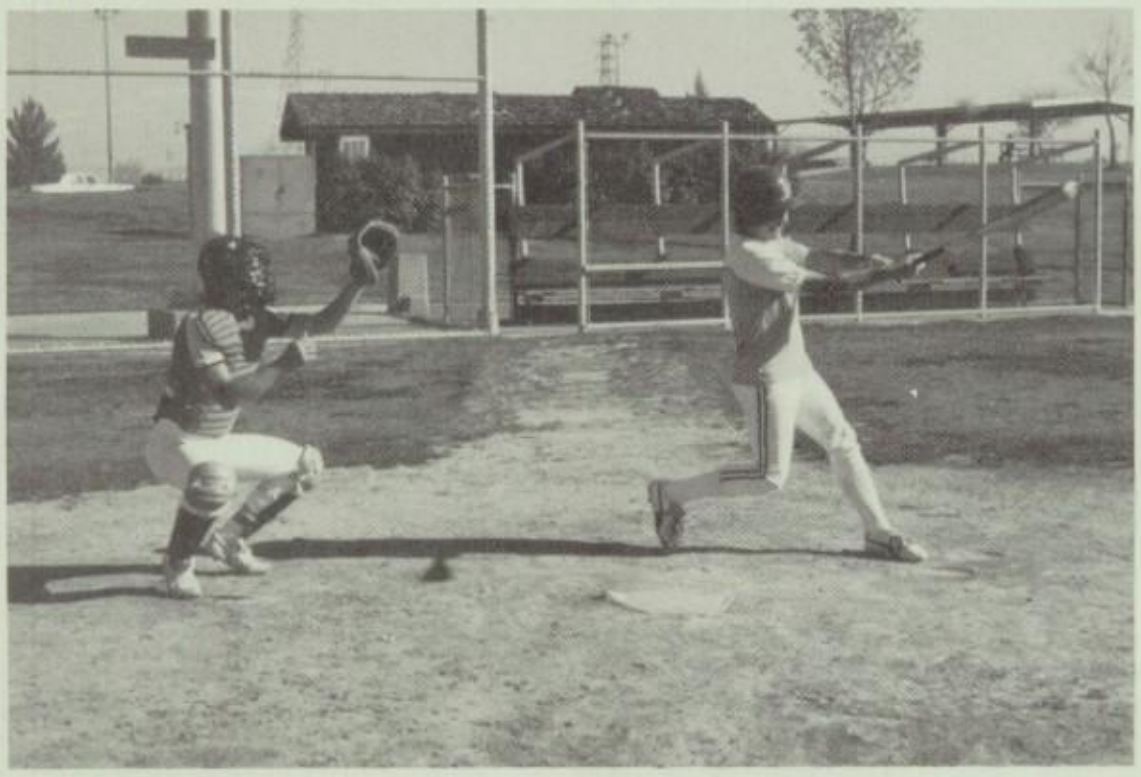
Building Up Our Bodies, The Temples Of The Holy Spirit.



There were many opportunities for the students of B.C.L.S. to develope skills in a variety of sports. Among the P.E. classes offered were Flag Football, Frisbee Football, Soccer, Basketball, Volleyball, Softball and Isreali Dance.

Mrs. Moore, Mr. Swen, Miss Turner and Mr. Parris coached the students and helped to develope strength, endurance and skill.

1. Girls in flag football huddle. 2. Opposing teams face each other on the scrimage line. 3. Randy Hoyt spots the soccer ball before heading it. 4. Chuck Young jumps for a lay-up. 5. Alan Bell prepares for a down-field pass. 6. Samantha Cheek passes to a teammate. 7. Omega student "shoots for two". 8. Todd Hooker practices goal kicks. 9. Isreali dance students whirl in a blur.



SPORTS

SOCCER

With hard work and determination, the Eagle soccer team met the 1980 season head on. Smaller in size, but with more speed and numbers than the year before, the outlook was quite encouraging. The team has grown from thirteen to twenty members, and added speed at the forward and halfback positions.

Great individual as well as team performances highlighted the year, and the Eagle kickers showed themselves worthy of our praise. With only one graduating senior, the experience gained this year will be invaluable for next year's team.

1980-81 Omega Soccer Team - left to right, front row: Rand Hoyt, second row: Wayne Bell, Alan Schmidt, Mike Moran, Leslie Lampson, Mike Wallace, Christina Rennie, Tami Taylor, Jon Fiser, Alan Bell. Third row: Cheryl Jones, Tim Hubble, Todd Hooker, Chuck Hoss, Cally Johnson. Back row: Mike Fowler.

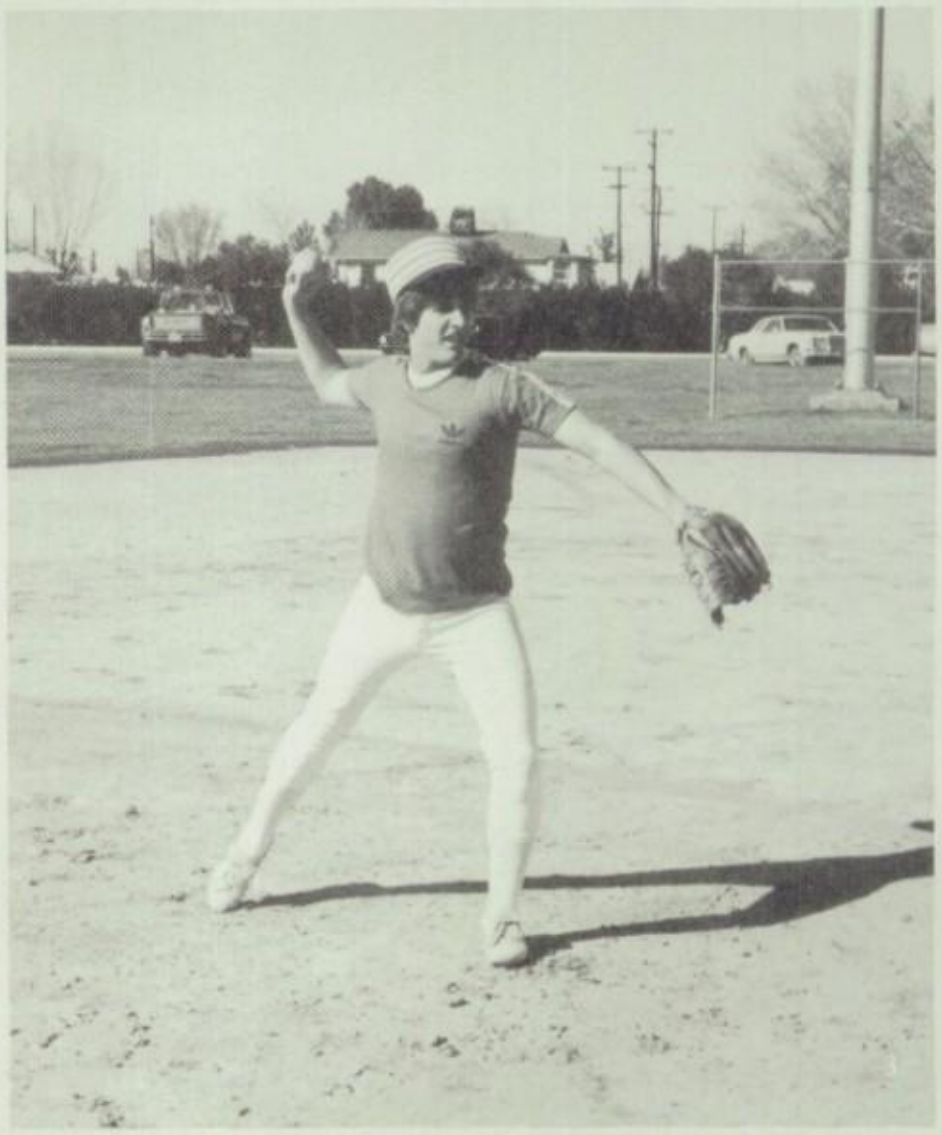
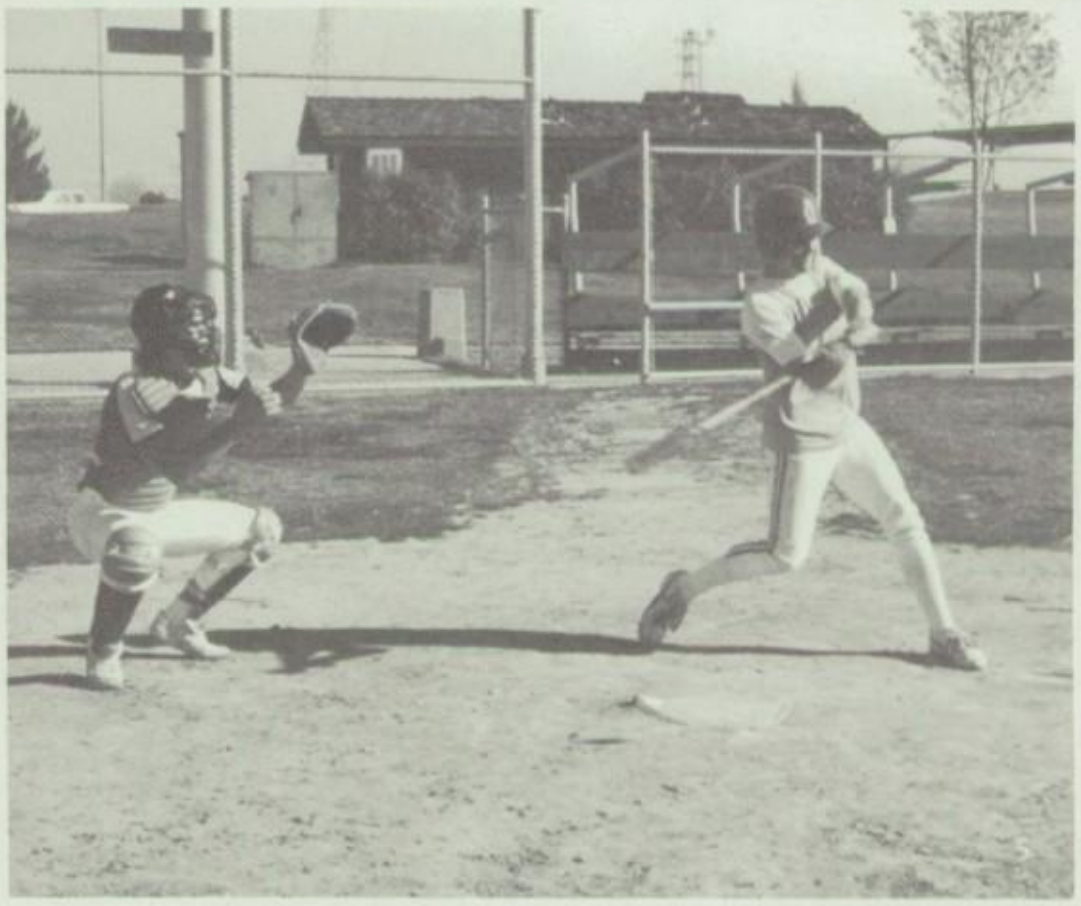
Once again in 1981 the Omega High School baseball team spent their season as participants in the George Williamson Baseball League.

A lean year left the team with only 12 members. Because of this small size, all of the players saw a lot of action.

With the core of the Eagle Team returning, the experience of next years team will be very strong as we enter the new small schools league.





1. John Houchin is ready for the ball. 2. Team meetings aren't always serious. 3. John Houchin throws to pick off the runner at home. 4. Tim Hubble is ready for any pitch. 5. Tim Hubble gives the outfielders some practice. 6. Eric Jensen makes the play at first base.

SOFTBALL
GIRLS MEET CHALLENGE OF C.I.F.

OMEGA SOFTBALL TEAM-Left to right, front row: Lynn Evans, Valerie Carter, Debbie McMullen, Mary Lynch, Julie Taylor, Allison Wiggins, Caprice Fowler. Second row: Coach Clare, Lisa Noxon, Rhonda McWilliams, Cally Johnson, Christina Rennie, Carrie Schell, Coach Moore.

The 1981 girls softball team was the first team at Omega to break into CIF competition. Because this was the first year for softball the challenge was to learn quicly and exhibit a character that would allow them to be a gracious opponent, win or lose. Exhibiting a talented defense, the girls had an uphill battle in the South Sequoia League, as they played all their games on the road. Opponents were Garces, Shafter, Wasco, Taft, and Coalinga.

1. Coach Moore instructs her team. 2. Christina Rennie gives all to make an out on first. 3. Rhonda McWilliams eagerly awaits the pitch. 4. Rhonda McWilliams shows speed on the pitching mound. 5. Cally Johnson prepares to make an out on third. 6. Christina Rennie takes a breather to pose for a shot. 7. The dugout serves as a good resting place between innings.

LOGO'S FALCONS CHALLENGE PRIVATE SCHOOL LEAGUE

The Logos boys' basketball team had a very good first season. The team combined teamwork, patience and a lot of talent to make for a fine all around effort. The guys who played on the team were: Dennis Black (8), Mike Blair (8), Chris Bush (7), Scott Cleveland (8), Chris Evans (7), Buck Gabbert (8) Tracy Hubble (8), Chad Jeffries (7), Cevin Lack (8), Marvin Lowe (8), Brian Romanini (8), Jeff Sanders (7), Tim Schmidt (8), Brett Schmoll (8), Paul Sheatz (7), and Bobby Williams (8).

1. The Falcon boys' basketball team pray before the game. 2. Tim Schmidt goes up for a rebound. 3. Brett Schmoll shoots a freethrow. 4. Another basket is sunk for the Logos Falcons! 5. Tim Schmidt goes for another basket.

LOGO'S FALCONS PAVE THE WAY FOR HIGH SCHOOL SPORTS

Seventh and eighth grade girls were able to participate in three sports: volleyball, basketball and softball this year. Logos is not yet in an official league, so games were arranged individually with other private schools such as B.C.S. and Guadalupe. The basketball tournaments were participated with Rio Bravo and the N.O.R. Boosters. Each tournament and each game provided good opportunities for the girls to grow in experience and to improve in skill.

1. Coach Turner gathers the girls for a fast pep talk before a game. 2. Courtney Schieber goes up to make a basket for the Falcon team. 3. The Logos team shows their super defense against B.C.S. 4. Rose Ruemmler waits to pass the ball. 5. Paige Wiggins speedily takes the ball down the court.

ACTIVITIES AND ORGANIZATIONS

V-I-C-T-O-R-Y! THAT'S THE EAGLES' BATTLE CRY!

"We've got spirit, yes we do! We've got spirit, how 'bout you?" The cheerleaders showed they had school spirit, but contrary to popular opinion, cheerleading is alot of hard work! This year's Omega cheerleaders attended a Christian Cheerleading Conference at Westmont College. They worked many hours perfecting cheers, painting pep signs, and planning and executing rallies. They supported the school team through cheers and occasionally "Super Socco."

BLUE, GOLD, BLUE, GOLD, LET THE BATTLE BEGIN!

The new private school league gave the Logos cheerleaders a chance to show their school spirit. The Falcon cheerleading squad comprised of four eight graders and two seventh graders gladly joined in rallies and promoted B.C.L.S. spirit.

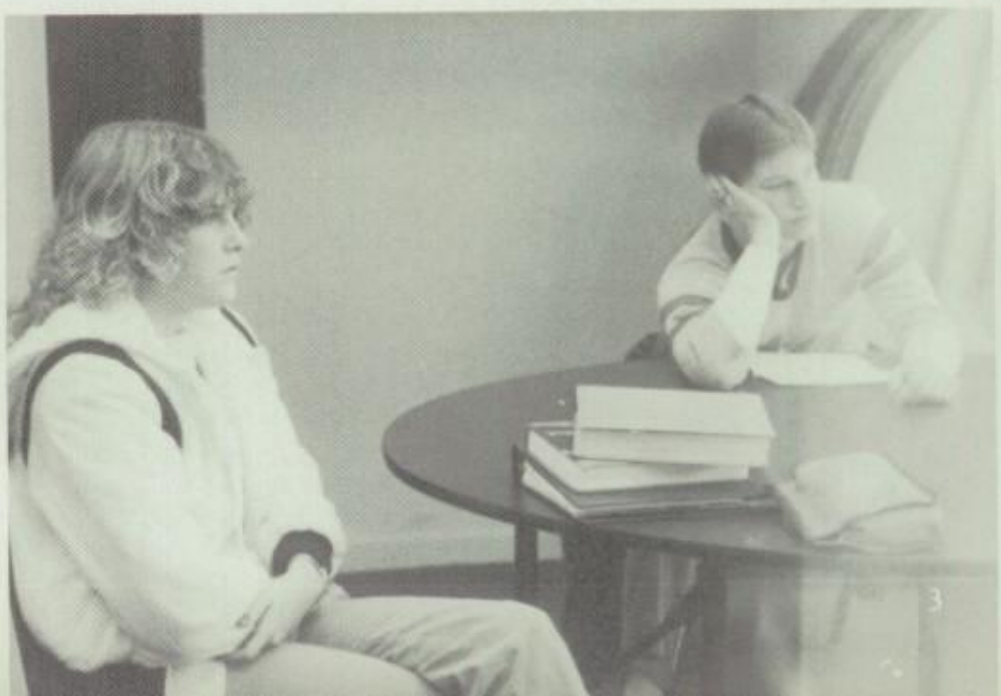
A.S.B.
STUDENTS PLAN ACTIVITIES

The Omega High School Associated Student Body set history and tradition for years to come. The elected officers of this years student body approved the A.S.B. Constitution, set election standards and procedures, and established by laws and requirements necessary to run an effective student government. The laws and standards set by the 1980-81 A.S.B. council will allow future councils, class officers, and clubs to run more productive and effective meetings and activities.

1. Left to right, front row: Junior Class President, John Houchins; Freshman Class President, LeAnne Patrick; Director of Publicity, Lisa Noxon; Director of Activities, Cheryl Jones; Sophomore Class President, Lynn Evans; Director of Spiritual Life, Debbie McMullen. Second row: Rally Chairman, Paula Harris; Vice President, Alan Schmidt; President, Marty VeVea. Third row: Senior Class President, Matt Hooker; Director of Athletics, Darren Lusk. 2. A.S.B. officers pose during a meeting. 3. LeAnne Patrick and Darren Lusk listen quietly at an A.S.B. meeting.



Logos A.S.B. officers gained great experience this year for future leadership roles. They graciously accepted the responsibility of running a student government. They found it to be challenging, yet rewarding. Those chosen by the student body to be their leaders and represntatives were (front to back, left to right): Tim Schmidt, President; Wendy Lampson, Secretary; Carola Lynch, Vice-president; and Michelle Gardiner, Treasurer.

1. Treasurer Bryan Pelz ponders the budget. 2. Logos President Tim Schmidt leads the flag salute at the all school Jog-a-thon rally. 3. Carola Lynch, Michelle Gardner and Wendy Lampson discuss A.S.B. plans.

Yearbook proved to be challenging, yet enjoyable as we prepared a book of memories for all those who shared in them.

We experimented with a different staff set up, and trained almost an entirely new staff. We fought to make deadlines and improved our yearbook quality.

Most of all we made this yearbook something special and unique just for you. We've helped preserve forever those joyous memories significant to only this year.

CHORUS SETS HIGH GOALS

The Logos and Omega choral groups have similar goals. Our primary purpose is to increase our vocal skills to a point where we can effectively minister to all who bend their ears to our music. We sing for enjoyment, relaxation, and some are preparing for careers in the music field. One of our greatest pleasures is singing to the Lord. "We sing of loving-kindness and justice; We make melody to Thee, O lord." Psalm 101:1

INSTRUMENTAL ENSEMBLES TAKE HONORS

The Omega Instrumental Ensemble added a new dimension of performance in its second year, with the creation of the Omega Pep Band. The band provided music for spirit rallies, assemblies, and athletic events. In addition, the Ensemble performed at concerts and also at graduation. The county and state-wide recognition, which several members of the ensemble received, accentuated the increased caliber of musicianship within the group. Clarinetist, Lisa Noxon was selected, through taped-audition to participate in the California All-State Honor Band. County honors went to Paula Harris, who was chosen to play in the first violin section of the Kern County Honor Orchestra, and to Melanie Noxon and Teresa Lawrence who were selected as members of the Kern County Honor Band, playing tenor saxophone and flute. Organist, John Haut, brought further musical recognition to the Omega Instrumental Ensemble as he won honors in the organ division of the Kern County Bach Festival.

The Logos Instrumental Ensemble experienced much growth in its second year both in musicianship and in numbers. The junior high enrollment more than tripled that of the previous year. Logos students combined with those from Alpha Elementary to perform together as the Alpha-Logos Orchestra. Their concerts were received with much acclaim. Four instrumentalists brought special recognition to B.C.L.S. as they were selected through audition, to participate in the Kern County Elementary Junior High Honor Band. In addition to the Honor Festival Concert, Tim Schmidt, Courtney Schieber, Samatha Willey, and Natalie Cheek performed in concert for the California Music Educators' Convention.

Here at Omega High School, we are starting a chapter of the California Scholarship Federation (C.S.F.).

The purposes of C.S.F. are to stimulate interest, to foster spirit of dignity in the high standards of scholarship, and to encourage further education for highly qualified young people. C.S.F. is committed to identify, motivate and encourage students with intellectual ability and to develop the unselfish and creative use of these abilities. Through our C.S.F. chapter, information about colleges and scholarship opportunities will be made available. Memorial scholarship awards are made annually to outstanding students based on ability and leadership.

A gold seal is placed on the diplomas of graduating seniors who have been members of any C.S.F. chapter for four or more semesters.

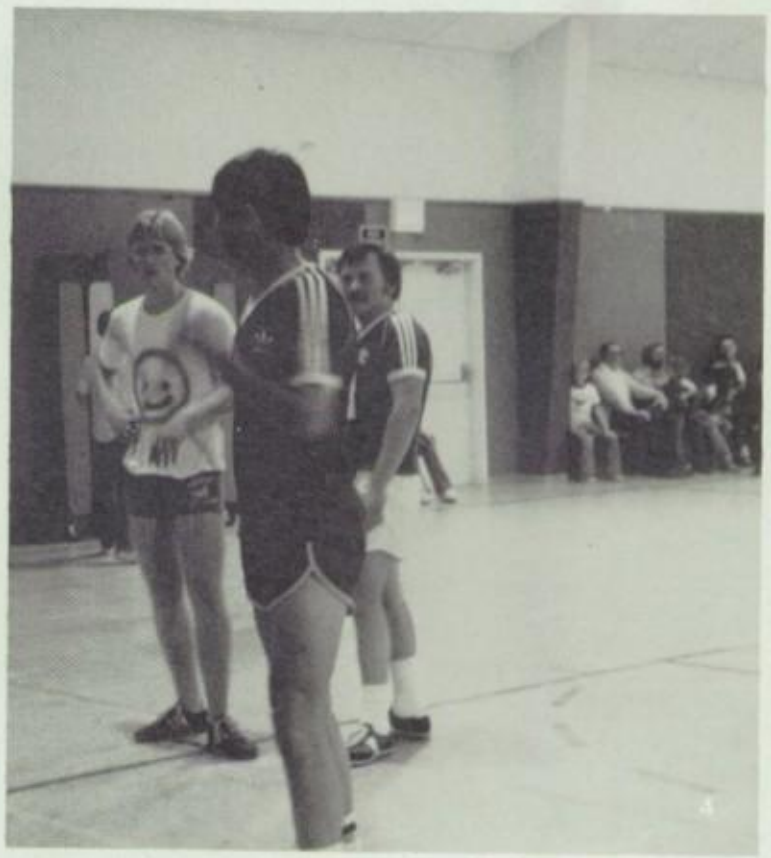
ENTHUSIASM SOARS DURING SPIRIT WEEK

A spirit week in the fall and one in the spring gave Logos and Omega students a break from their usual schedules. "Dress-up" days, rallies, pie throws, water-pistol contests, and a faculty-student basketball game were just a few of the varied activities during spirit weeks.



1. Cheerleaders cheer on students and faculty at the student/faculty basketball game. 2. Teachers as well as students show their spirit during spirit week. 3. Mrs. Todd shows us the way to shoot a basket. 4. Coach Swen tries to explain the rules of the game. 5. Greg Kephart and Dairn Winders are the most irresistable guys. 6. Scripture Verse: 1 John 1:7 But if we walk in the light as He is in the light we have fellowship with one another and the blood of Jesus Christ His son cleanseth us from all sin.

This year we grew in love for the Lord, care for each other, self control, knowledge, and wisdom. We put off defensive masks and put on sincerity. It has been a good year pulling together in our classes indoors and out; making mistakes, in us as we found ourselves irresistibly drawn more and more to Him.

We've learned a lot about just being friends in our classroom this year. Jesus made a big thing of loving God with our whole self; especially with the part that has to get along with others. This year as we have asked God for his help in showing our love for him he has helped us. We want to know and love Him even more next year.

Our richest classroom treasure this year has been our growth in relationships with each other. Our Christian Characteristics Trophy wandered from table to table each day, depending on which table group exhibited the most effort, consideration, kindness, self-discipline, etc. the day before.

We had a lot of devoted help from our parents who did wonderful things like helping us with studies at home and school, and other school activities such as art projects and classroom parties. They pitched in to help us sell candy bars and T-shirts bought us pizza once a month, attended our school programs provided transportation and of course, privided us with daily transportation.

We learned that when God, our parents and our school all care about us and work together in harmony, we do our very best and then we can feel good about ourselves. Philippians 4:13

ALPHA FACES

Faces can tell us what is going on in the heart. Facial expressions can show joy, excitement, wonderment, and even frustration. Looking at all these Alpha faces, we can only imagine what is going on in each child's mind.

ALPHA SPORTS

Alpha Elementary Joins Private School Conference

1980-81 marked the first year of existence for The Private School Conference which Alpha School helped begin. The season was a very good one for Alpha teams. The boys took PSC honors in soccer and basketball, going undefeated in both. The girls took first place in volleyball and finished second in basketball competition. With the experience gained this year, 1981-82 looks very bright for Alpha Sports!

ALPHA ACTIVITIES

The 1980-81 school year saw a number of activities at Alpha Elementary. On October 31, the students celebrated "All Saint's Day" by dressing as their favorite Biblical characters. The winners from the primary and elementary grades received a gift certificate from the Olive Branch Bookstore. A new series of Chapel began, focusing on Christian Character Traits. A new sports league began - The Private School Conference. A new reading program, RIP, began. At the beginning of winter, The Animal Chatter program came to Alpha, and with it came local television stations to film the event. A new cafeteria program featuring hot lunches was started.

The school had its annual T-shirt sale. A May carnival was held for the first time. Bill Chism presented a program highlighting The Olympics. The PTF held its first ever candy sale. "Superstar" and "Supertooth" became new school-wide words. There were also field trips to Pioneer Village, the Rexroth Ranch, The Bussel Ranch, Bakersfield College Planetarian, Kern County Fair, and The Bakersfield Californian. "Mighty Men of God" such as Dr. Lavender, Pastor May, Reverand Shelton and many others, visited Alpha. Finally, Dr. Lavender "led" our first ever Jog-A-Thon.

PRE-KINDERGARTEN

"Peace I leave with you, My peace I give unto you . . . Let not your heart be troubled." John 14:27

We've been singing a song in our class this year . . . "Emanuel, Emanuel; His name is called Emanuel." Emanuel means, "God with us." We have been learning that in spite of the turmoil and troubled times that surround us, God is with us and as we look to Him, we experience more fully His shepherd's love for us.

TODDLERS

During our second year we continued to serve families with toddlers 16 to 28 months. God has blessed us with a full enrollment of 15 children during the year. Toddlers not only need a lot of physical care and love but a developmentally appropriate program with activities for their age level. We also helped them thru the potty training stage with love and understanding. Our Bible verse is Pro. 22:6 "Train up a child in the way he should go: and when he is old, he will not depart from it."

INFANTS

This was our second year to serve families with infants 6 weeks thru 16 months. God increased our class, growing from 8 to 16 infants each day. We not only provided the necessary physical care and love needed by infants, but planned a development readiness program for them. Each child had experiences for his/her age level which encouraged stimulation and growth. Our Bible verse is I Cor. 15:51 "...We shall not all sleep. But we shall all be changed."

GROWING TREE

Where Infants Through Preschoolers Bloom

During this year of growth many exciting things have been going on in the Growing Tree. We had our first group of babies and toddlers graduate to older classes and our pre-kindergarten going to kindergarten in Alpha Elementary last fall. A new nutrition program, toddler year equipment, and the Christmas program are just a few of the additions. E.E.P. has grown by leaps and bounds having built on the foundations laid last year and adding a special program for Junior High students.

Our Lord had blessed us this year with wonderful children to love and teach and great parents to work with.

PARENT TEACHER FELLOWSHIP

The support of parents is an important item at B.C.L.S. Many parents showed their love and support by coming to open house and P.T.F. meetings. There was also a P.T.F. council which was made up of a few of the parents who had students at B.C.L.S.

Open house was held in the middle of first and third quarters. This is when the parents had a chance to come and talk to the teachers about grades, both academic and citizenship. It also gave the parents the opportunity to get to know the teachers, and what the students were studying in each class.

The P.T.F. sponsored a super candy sale in the fall which raised funds for both Logos and Omega lockers and the library for the entire school.

1. Parents and teachers gather around for refreshments after an Open House. 2. Mr. Sampley explains the chorus curriculum. 3. The candy sale was a big success. 4. Mrs. Williams discusses the special programs offered at B.C.L.S. 5. An all school assembly was held to encourage the students to sell candy bars for the candy sale.

BOOSTER CLUB PANCAKE BREAKFAST AND JOG-A-THON PROMOTE ATHLETICS

The Booster Club was formed by concerned parents who were interested in building a school athletic program. This year's Booster Club was lead by a fine group of officers who organized several activities for fund raisers. Due to the success of the 1979-80 Pancake Breakfast, the second annual Pancake Breakfast was held November 1. Hoping to establish a tradition, the first annual Jog-a-thon was held March 14. The money raised at these events will help to pay for a track, and an athletic field for soccer and baseball. It will also provide for uniforms, equipment and transportation for school teams. In the future, a gymnasium is also planned to round out B.C.L.S.'s athletic program.

1. Mr. Jones and Steven Pelz promote Booster Club at the Pancake Breakfast. 2. Both faculty and family enjoy the Pancake Breakfast. 3. Christiana Rennie enjoys the opportunity to serve others. 4. Christine Frazee and Marty VeVea model Jog-a-thon T-shirts while holding one of the first prize 10-speed bikes.

EYRIE DEDICATED TO CHAPEL

"I am the vine; you are the branches; he who abides in Me, and I in him, he bears much fruit; for apart from me you can do nothing." John 15:5
The emphasis placed on Chapel this year centered around building Christian character, bearing fruit. Such character traits included dedication, honesty, knowledge, patience and love. Chapel was a time of spiritual feeding, a time to sing, pray and examine God's word.

I thank God for faculty, staff and students so dedicated to changing lives. These people cared about the individual - body, soul and spirit. These were people who often had little time, yet found time to listen and pray. Most of all I thank God for loving me so much that He gave the very best He had, His son, Jesus Christ. My prayer need only be to return to others just a portion of this love He so freely gave.

As I graduate, I take with me a portion of B.C.L.S. I take with me a better knowledge of my savior, personal growth, and the joy of watching the Lord shape each life according to His perfect will and purpose. We made it through the second year and made it better than the first. I'm proud to be a student of the second graduating class of Omega High School, the class of 1981.

I dedicate this book to Chapel and all the people responsible for making it such a meaningful experience.
